The Wounded Warriors, many home from Iraq and Afghanistan, are cycling down scenic Highway 1 from San Francisco to Los Angeles. Their goal is to raise awareness and money to provide artificial limbs and physical therapy for fellow military heroes.

How you can participate:

Line the street with flags...

The Legion will loan American flags so you can give our heroes a patriotic send off as they drive by Cambria Drive and Hwy 1.

Sponsor a table or individual rider...

Participate in this historic event either by sponsoring a table at the VA for \$200 or an individual rider's meal for \$50.

Any donation to support our heroes is appreciated. Make checks payable to Ride 2 Recovery, with "California Challenge" noted in the memo section, and mail them to:
R2R 23679 Calabasas Rd. #420, Calabasas, CA 91302.
